You can download the course syllabus through the website as well. Please see below.

“Course Details” window will pop up if you click on the course title. Click the Syllabus tab to download the attached CRS syllabus file. You can download the course syllabus by clicking on the syllabus title.

The screenshot displays the SNU CRS Registration System interface. A 'Course Details' window is open, showing information for the course 'M1338.001400 Research Methods in Strategic Management'. The 'Syllabus(ENG)' tab is selected, and a red arrow points to it. Below the course title, there is a table for 'Representative Instructor' with columns for Position, Name, and Email. The instructor listed is Associate Professor Park, Sun Hyun (suneark@snu.ac.kr). Another red arrow points to the 'Attachments(English)' section, which lists a PDF file named 'DMETHOD_2016S_SPARK.pdf (241,779)'. The background shows a search results table with columns for Course Classification, College, Department, and Credit.

The course list for Spring and Fall semesters will be uploaded about six weeks before each semester begins. For more information, you can refer to the courses offered in the previous semesters and check the previous syllabi there before the course list is updated. Thank you!
