Università Cattolica Mentor Program

Università Cattolica offers to all semester students the opportunity to extend their stay and join the Summer Program as a group **Mentor**.

The student will be supporting the International Office staff with activities for new comers (Orientation events, ice breaking activities, campus tour), whilst sharing their "expertise" on the city of Milan with the new students in an attempt to help get them adjusted.

Additionally, the Mentor will be asked to write the *My Milan TripAdvisor Guide* - how to become a "genuine" Milanese in less than 10 days. This is an informal mini Milan tour guide, listing the best things to do, the top monuments to see, the tastiest restaurants to try, the coolest clubs to visit, as well as the dos and don'ts in Milan.

The Mentor will be asked to present the guide during the Orientation event. At the end of the program, students will be asked to rate the Mentor's guide. The International Student Advisors will also evaluate the level of "Milanese" expertise the Mentor has acquired by issuing a certificate of evaluation. Further indications relating to this task will be given during the semester.

As a gratitude of the students participation and support, Mentors will receive 50% off the summer tuition.
